

Moreton Island

Must See & Do

- Try sand tobogganing and quad biking on Moreton Island
- Spot marine life from Point Lookout on North Stradbroke Island
- Play a round of golf at Kooralbyn Resort's championship course
- Explore the Scenic Rim's spectacular bushwalks
- Experience life on a working cattle station at Peppers Hidden Vale

Across Moreton Bay from Brisbane are the beautiful islands of Moreton and North Stradbroke. Almost entirely national park, Moreton Island is a nature lover's paradise. Hand feed wild dolphins, sand toboggan one of the world's largest sand dunes, or dive around the famous Tangalooma Wrecks and see an amazing array of marine life including dolphins, dugongs, whales and turtles.

Beautiful North Stradbroke Island is a popular beach holiday destination for locals and visitors alike. Stretches of white sandy beach line the island's ocean side, making it ideal for swimming, surfing, and fishing, while the sheltered western edge offers a calm environment for those after a more relaxing experience.

Point Lookout at the northern tip of North Stradbroke Island is the best land-based vantage point to see whales from June to November. Dolphins, turtles and manta rays can also often be spotted from this spectacular lookout.

Just over one hours drive from Brisbane, discover the magic of South East Queensland Country. Beautiful countryside, charming towns, hinterland vineyards and national parks make this an ideal destination to explore or just get away from it all.
