

Reef Odyssey Barefoot Cruises

DELUXE STATEROOM

The Whitsundays is a sailing and cruising mecca. With 74 pristine islands as well as the Great Barrier Reef, it's no wonder it is one of the most visited reef destinations.

Reef Odyssey has unrestricted access to the Whitsunday Islands and reef, a luxury afforded only to vessels less than 35 metres. You can literally step off the back of the boat and start snorkelling. This cruise is all about experiences.

Guests can walk the pure sands and swim in the crystal clear waters of Whitehaven Beach, take a guided walk through island rainforests, view ancient Aboriginal cave art, as well as snorkel and fish. The food is superb, the atmosphere is relaxed, and the guests and crew enjoy a warm camaraderie.

The unforgettable memories of the water, the reef, the islands, the sunsets and the magnificent night sky will stay with you for a lifetime.
