## Taste Your Birth Year

Seppeltsfield's Centennial Cellar is the remarkable vision of Oscar Benno Pedro Seppelt, who in 1878, began the legacy of maturing single vintage Tawny for 100 years before release. Benno's foresight has led Seppeltsfield to nurturing the world's longest and only unbroken collection of single vintage tawny since 1878; creating a living museum of Australian winemaking history and undoubtedly the 'jewel in the crown' of the Seppeltsfield estate.

The Seppeltsfield Taste Your Birth Year tour offers the rare opportunity to try your own birth year vintage Tawny, directly from the barrel. Join one of the wine educators for a tour of the renowned Centennial Cellar before tasting your birth year wine straight from the barrel. A unique opportunity to sip on a wine as old or young as you are.

# Kangaroo Island

Snelling Beach

Accessible by ferry from Cape Jervis or by plane from Adelaide, Kangaroo Island offers beautiful beaches, great food and drink, spectacular scenery and wildlife encounters around every corner.

It's one of Australia's great natural wonders and with more than a third of it conservation or national park, Kangaroo Island is often known as the 'zoo without fences'. Meet the local sea lions on the beach at Seal Bay Conservation Park, at Kingscote and Penneshaw see the delightful Little penguins head home at dusk or watch the playful fur seals at Cape du Couedic in Flinders Chase National Park. You will also encounter giant cuttlefish, sea horses and other marine life off the coast.

The kids will love the chance to get up close and personal with a host of wildlife on Kangaroo Island, including laughing kookaburras or slithery snakes. No one will pass up a chance to hand feed animals and it's also a great learning experience for the kids. Kangaroo Island Wildlife Park lets you feed their kangaroos and other native animals. For a real eye-opener, visit Paul's Place. You won't leave without patting or holding the wildlife. If you're game, he even has some very friendly snakes.

Kangaroo Island is a standout location for scenery alone. Walk among amazing rock formations, see the huge weather-sculpted granite boulders known as the Remarkable Rocks and the equally impressive Admirals Arch. Sandboard down the massive sand dunes at Little Sahara or venture down into the underground world of Kelly Hill Caves. With over 480 kilometres of coastline, there are plenty of spots for swimming, surfing, diving and fishing. Learn about the history of this unique island as you follow the Shipwreck Trail.

Go for a surf at Pennington Bay or Stokes Bay – the island's sensational and uncrowded surf breaks are a well kept secret. Throw a line in off the jetty at Emu Bay, one of the most popular island beaches. The long curve of Vivonne Bay is considered one of the best beaches in Australia. Its sandy beach and stunning turquoise waters are the pick for swimming, surfing and fishing. Climb to the many lookouts throughout the island for breathtaking, panoramic views.

Like the rest of South Australia, Kangaroo Island has much to offer in the way of food and drink. Don't miss the fresh seafood – King George whiting, oysters and marron (freshwater crayfish) are a speciality. Taste locally produced wines and spirits, pure Ligurian honey at Clifford's Honey Farm and delicious hand-made cheeses and yoghurt from the Island Pure Sheep Dairy. It's here where you can witness the daily milking of sheep!

## The Blending Bench

The Blending Bench at d'Arenberg is a hands-on, interactive experience where you play winemaker and take home a 750ml sample to show off to your friends and family.

Following the blending session, indulge the taste buds at an eight course degustation in d'Arry's Verandah Restaurant, overlooking the rolling hills of McLaren Vale (optional extra). # Flinders Ranges & Regional South Australia

Breakaways Conservation Park

It's a whole other world in The Outback and one that's worth a visit. Put yourself in the shoes of our early explorers and walk the Ikara-Flinders Ranges National Park past ancient gorges and beautiful ranges. The rocky peaks of Mount Remarkable beg to be climbed. Some of the best sights can be seen on foot or you can take to the road by bicycle or by four wheel drive.

The towering rock walls, gorges and Aboriginal rock art of Wilpena Pound are the centrepiece of the Flinders Outback. Soar over the area on a scenic flight, past dramatic peaks and vibrant red earth.

The Outback characters are as unique as the scenery, with a way of life unlike anywhere else. Half the population of opal mining town Coober Pedy live underground. Other Outback locals live so far away they love a visit from travellers who join the 'Outback Mail Run'; a customary trip to Oodnadatta and William Creek.

With such a vast and varied landscape, there's plenty of opportunity for adventure. Head out to the massive salt sink that is Lake Eyre – it has only filled to capacity three times in the past 150 years. From Coober Pedy try your luck at opal digging or visit the colourful sandstone outcrops known as The Breakaways.

Visit friendly Port Augusta, your gateway to The Outback and Flinders Ranges. For the experienced adventurer, follow a network of springs and creeks as you travel the iconic Oodnadatta, Birdsville and Strzelecki Tracks through the heart of The Outback.
