

Whitsunday Cruising and Sailing

If sailing through the Whitsunday Islands is on your travel wish list, make it a reality. Stop near a deserted beach for a sunset stroll, drop anchor for a spot of snorkelling or experience fishing away from the crowds.

Choose from luxury motor cruisers, performance yachts with speed and power or yachts that offer relaxed sailing. With a vessel and style to suit you and 74 islands to sail or cruise amongst, you're spoilt for choice in the safe, warm waters of the Whitsundays.

Skipper Yourself – What you need to know

EXPERIENCE

You will need some experience at the helm of a yacht, big or small. Some vessels require a higher level of experience. Prior to arrival, you will be asked about your boating experience. All operators provide a comprehensive hands-on briefing before you set sail. If you require some guidance, you may be required to hire a sail guide who will show you the ropes and get you on your way. Daily radio contact with your charter company will ensure you're always safe with professional advice close at hand.

FULLY EQUIPPED BOATS

Don't let the term 'bareboat' mislead you. All charter vessels are equipped with everything you need to make your holiday carefree and enjoyable. Galley gear, barbecue on deck, toilet and shower, fishing and snorkelling equipment, dinghy with outboard motor as well as navigation and safety equipment are included in most charter costs. The majority of bareboat holidays will include a 'basic essentials' kit. These packs may contain items like sponges, matches, detergent, paper towels, insect repellent, garbage bags, toilet paper and guest soap.

OPTIONAL EXTRAS

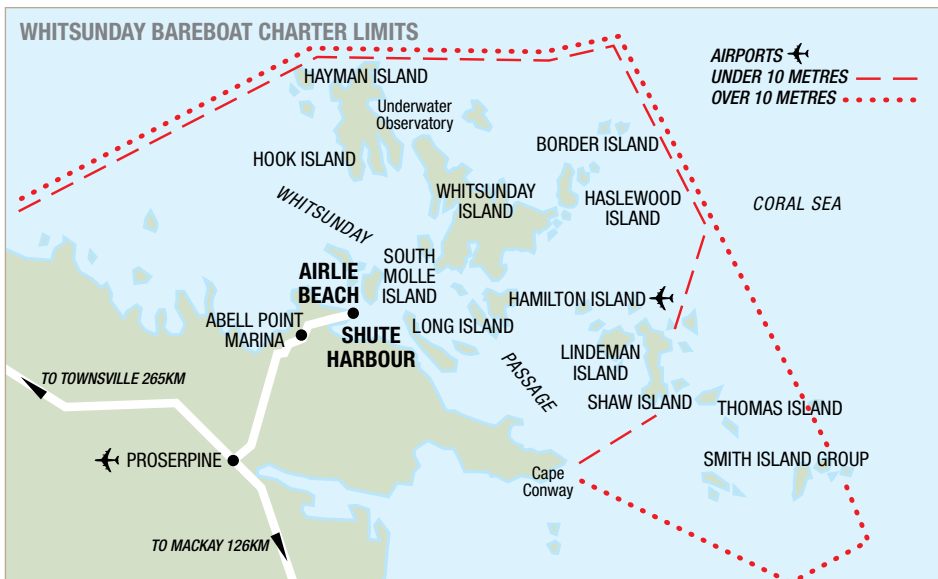

Sailboards and scuba diving equipment are available to hire at an extra charge. Skippers and cooks can also be hired. A variety of fresh food provisioning packs can be arranged in advance and stowed before you set sail.

IMPORTANT BOOKING CONDITIONS

You will be required to sign a Charter Agreement prior to paying your deposit. It is important that you understand the terms and conditions of charter, as cancellation fees will apply once your deposit has been paid.

A minimum security deposit of \$750 per vessel is required within 7 days of confirmation of your booking. Full payment of your holiday cost must be made no later than 60 days prior to travel.

All companies require a damage waiver to be paid direct to the operator on commencement of the charter along with a signed credit card authority. They also reserve the right (without showing cause) to apply a bond of up to \$2,500.

Your Style

Crewed Sailing

Have the opportunity to become involved in the sailing experience or sit back and relax and let it all be done for you. Competent crew will show you the best of the Whitsundays and prepare wonderful fresh meals to ensure you come away with memories of a lifetime.

Learn to Sail

For a unique holiday experience, learn to sail holidays are fun and are designed for those with no sailing experience or sailors wishing to improve their techniques. Learn new skills while cruising through one of the world's most desirable sailing locations, the Whitsundays.

Skipper Yourself

Become skipper of your own 'bareboat', and take control of your holiday drifting about the Whitsundays in style. Whether there's a group or just the two of you, there is a yacht, catamaran or motor cruiser designed to suit you.

Solway Lass

Explore the Whitsundays aboard the magnificent tall ship Solway Lass. With 11 sails and 5,500 square feet of sail area, Solway Lass provides you with an authentic and romantic feel of a bygone sailing era. Help raise the sails or take the helm and steer Solway Lass around the islands. There's time to snorkel, dive, swim, sunbake and explore islands. While at anchor try the famous swing rope, lay in the bow net or enjoy an icy cold drink from the licensed bar.
