Hamilton Island

Hamilton Island

Hamilton Island is situated in the middle of Queensland's Whitsunday Islands and at the edge of the Great Barrier Reef. Here you'll experience everything that is great about Australia – beautiful natural surrounds, calm waters, warm weather, fascinating coral reefs and diverse flora and fauna.

As the ultimate Great Barrier Reef holiday destination, Hamilton Island is the perfect getaway to explore the unique tropical environment of the Whitsundays. You'll be spoiled for choice with enough activities on Hamilton Island to keep you entertained for weeks on end, including snorkelling the reef, sea kayaking and scenic helicopter flights. Or perhaps you'd prefer to do nothing at all and simply lay around one of six pools or on stunning Catseye Beach.

You'll also find a wide range of accommodation on Hamilton Island, from free-standing bungalows to the amazing views of the Reef View Hotel or the absolute luxury of qualia. Or if self-catering is more your style, choose one of the privately-owned Holiday Homes.

When it comes to food and wine Hamilton Island has almost as many dining options as you'd expect to find on the mainland, from gourmet pizzas by the marina to a long lunch at Sails Steak & Seafood Grill. Or for something more casual select from a range of takeaway outlets and bars.

Yet another dimension has been added to the island experience with the Hamilton Island Golf Club on adjacent Dent Island.

Designed by five-times British Open winner Peter Thomson, the 18 hole championship golf course is on par with Australia's top golfing destinations for its design, location and facilities and features unparalleled views of the Whitsundays and the surrounding Great Barrier Reef.

Spa wumurdaylin is a divine relaxation haven with a warm and relaxed atmosphere that invites you to indulge in a sensory experience. Carefully selected spa products have been chosen to provide a unique indigenous experience while capturing the beauty of the Whitsunday Islands, with treatments including body cocoon wraps, exfoliations, facials, massage and body treatments.

Whether you're looking for plenty to do or nothing at all, Hamilton Island is the ultimate Great Barrier Reef getaway.

The island also has a state-of-the-art child care facility at its Skipper's Club, offering quality care for children from 6 weeks to 12 year of age.

Lovers of food and wine can choose to dine at Daydream's signature restaurant Mermaids, which overlooks three stunning bronze life-size mermaid sculptures sitting atop a rocky outcrop on the shores of the Whitsunday Passage. Families are well catered for too with buffet-style dining at Waterfalls Restaurant, casual à la carte at the Fishbowl Tavern or deli-style at the Boathouse Bakery.
