Pricing Guide

Prices featured in accommodation listings are per room for the period specified unless otherwise stated. The 'from' price in the property heading has been calculated using the cheapest nightly rate available, ie. in the lead-in room type, in off-peak season using the longest stay (eg. 7 nights). If a free night offer is available, even if for part of a season, this has been included when calculating the 'from' price. A minimum stay is generally required. Where prices for more than a one night stay are featured, the prices refer to stays of consecutive nights.

Tripadvisor

TripAdvisor rates real travellers' experiences, giving you an unbiased and impartial point of view on the product we feature in this brochure to assist you with your holiday planning. TripAdvisor ratings and reviews are available to view on our website at www.sunloverholidays.com.au.

Accommodation Ratings

STAR and Diamond ratings are used throughout the brochure to describe the standard of accommodation.

STAR RATINGS Properties featuring the Star symbols are independently assessed by Star Ratings Australia (SRA). SRA is a stand-alone accreditation business and a subsidiary of Australian Motoring Services (AMS). The Stars and the Star Ratings are a registered trademark of AMS. We have no input into the assessment process.

DIAMOND RATINGS Properties featuring Diamond symbols do not participate in a recognised rating scheme. The rating is supplied by the individual property based on their own assessment. We recommend they be used as a guide only.

How to Get There

BY AIR Flights are available to Broome from Perth with Virgin Australia and from Perth, Brisbane, Darwin, Melbourne and Sydney with Qantas. Virgin Australia Regional Airlines is the major regional airline with flights between Perth, Broome, Kununurra and Darwin. Skippers operate flights between Broome, Derby, Fitzroy Crossing and Halls Creek. Airnorth operates flights between Broome, Kununurra and Darwin.

Brisbane	4 hrs 30 mins	-
Melbourne	3 hrs 50 mins	-
Perth	2 hrs 25 mins	3 hrs 10 mins
Darwin	1 hr 45 mins	1 hr
Kununurra	1 hr 20 mins	-

The above table shows flight durations for flights via Perth. Connecting flights from other destinations are also available. Times are a guide only and subject to change.

BY CAR Take the time to explore and discover as you make your way around The Kimberley and Broome by road. Whether it's getting there or getting around we recommend Avis car hire. See page 28 for details or ask your travel agent about the great specials Avis has to offer.

Broome, Derby and Kununurra can be accessed by sealed road via the Great Northern Highway in Western Australia or the Victoria Highway linking with the Stuart Highway in the Northern Territory. The unsealed Gibb River Road links Derby and Kununurra.

A unique feature of travelling in the region are road trains. These can be up to 50 metres in length, so extra care should be taken when overtaking them.

Many stations in The Kimberley region are unfenced and it is not uncommon to encounter wandering stock and wildlife. Particular care should be taken when driving at dawn and dusk, and if possible, avoid driving at night. During the summer period (November to April), road closures due to flooding are common, particularly on unsealed roads.

Seasons

SUMMER (NOV TO APR) In summer the weather is hot and humid and the nights balmy. While it's known as the wet season, the rain usually falls in heavy, short downpours in the late afternoon and evenings. Some attractions may not be accessible due to road closures and local flooding. WINTER (MAY TO OCT) Winter is the most popular time to visit with sunny days and cool nights with fresh breezes. This is the best time to experience all outdoor activities, with most roads and attractions open throughout the season.

Swimming

There are plenty of safe places to swim in the region, including Cable Beach. Salt and Freshwater crocodiles are found in estuaries, rivers and billabongs in the remote parts of The Kimberley, so always observe warning signs, but if you are not sure, do not swim. Marine stingers are most prevalent along the coastline from November to April.

Aboriginal Culture and Permits

Transit Permits to visit Indigenous communities are granted through the Aboriginal Lands Trust and are designed to help preserve Aboriginal heritage and culture. It is best to choose a tour where operators already have permission to enter the land.

BROOME AND SURROUNDS

Kununurra and Surrounds

Clear blue skies, rich red earth and rugged vistas, Kununurra is the eastern gateway to some of The Kimberley's most renowned attractions. It's the perfect base to explore World Heritage Listed Purnululu National Park and the Bungle Bungle Range.

Absorb the enormity of Purnululu National Park with a scenic light plane or helicopter flight, spend the day exploring the amazing red dirt behive domes of the Bungle Bungle Range or for a true outback experience overnight at a wilderness camp within the park.

Scenic flights are a fantastic way to appreciate this vast landscape and its iconic landmarks. There's the largest man-made lake in Australia, Lake Argyle. It's so big some call it an inland sea. Then there's the Argyle Diamond Mine – one of the largest open-cut diamond mines in the world.

You'll find an amazing variety of flora and fauna along the Ord River, a popular spot for fishing or a scenic boat cruise.

Browse the art galleries showcasing local and Aboriginal artwork, treat yourself to a fine Argyle diamond from one of the diamond showrooms and be sure to experience a stunning sunset from Kelly's Knob Lookout, the highest point in Kununurra.

From Kununurra, an adventure down dirt tracks will reveal spectacular scenery of waterfalls, gorges and cattle stations. Your outback adventure awaits.

Town Centre Map page 53 Ref. 2

Straddling the Fitzroy River, Fitzroy Crossing acts as a perfect stopover for those exploring the nearby national parks of The Kimberley. Make it your base to explore Tunnel Creek and Windjana Gorge. Be sure you head to the river, which is legendary for Barramundi fishing.

A journey to Geikie Gorge National Park will reward you with spectacular waterways surrounded by enormous cliffs that hint at ancient times. Millions of years ago, the Fitzroy River carved through the limestone reef creating the impressive gorge. For a true appreciation of the local history and culture, take an indigenous tour and learn all about bush tucker and Aboriginal medicine.

About three hours from Fitzroy Crossing and on the edge of the Great Sandy Desert you'll find Halls Creek. This historic town is rich with the influence of the Western Australian gold mining industry and provides easy access to Purnululu National Park and the Bungle Bungle Range. In this part of The Kimberley there are amazing natural attractions including the phenomenal Wolfe Creek Crater, the second largest meteorite crater in the world, as well as a six metre high wall of quartz rock, known as China Wall. Visit old Halls Creek, home to the first gold discovery in Western Australia.

All prices are provided as a guide only, are subject to availability at time of booking and may be withdrawn or vary at any time up to 30 days before your departure if any new government surcharges, fees or taxes are introduced or if any existing surcharges, fees or taxes are varied.

If we have to change any part of your booking for reasons beyond our control, for example, an Accommodation Supplier overbooks accommodation, or if there is an increase in taxes or Supplier charges, we will notify you. If any such changes result in your holiday costing more or otherwise being materially different from that originally booked, then you may cancel the booking and we will refund any monies already paid less any charges levied by Suppliers.

CREDIT CARD SURCHARGE

A credit card surcharge will apply when paying by credit card. Please check this fee with us or your travel agent when booking.

PRICES DO NOT INCLUDE

Anything not specifically indicated as being an inclusion.

DEPOSITS AND FINAL PAYMENT Excluding Kimberley Cruising Deposit

Some Suppliers may impose additional deposit requirements in addition to the minimum deposits stated above.

Final Payment

Full payment of your holiday cost must be made **no later than 30 days** prior to travel, or by sale end date, or by the payment deadline specified in individual package conditions, whichever is earliest. For bookings made 30 days or less prior to travel, full payment of holiday cost is required at the time your booking is confirmed.
