

# Mornington Peninsula

Sorrento

Just an hour and a half drive from Melbourne gets you to a place of seaside villages, art galleries, golfing and great food and wine. One look at the spectacular coastline and beautiful beaches and it's easy to see why it has inspired so many artists and craftspeople. Their work can be seen in local galleries or follow the Art Walks along the bay. The calmer waters of the beaches along Port Phillip Bay contrast with the Peninsula's wild ocean side. The sea-battered cliffs around Cape Schanck epitomise the rugged nature of this coastline.

Indulgences come in many forms on the Mornington Peninsula. It's a golf lover's dream, with 19 golf courses dotting the region. Play the courses the champions play at Moonah Links or a cliff top course at Cape Schanck. Day spas are not hard to find either. The Peninsula Hot Springs near Rye is the pick – this bathing retreat combines bathing in thermal mineral pools with spa treatments and delicious food and wine.

A tour inland reveals another Mornington Peninsula highlight; its abundance of vineyards, orchards and food producers. Pinot Noir and Chardonnay are specialties of the region; sample the local drop at one of the 50 wineries with cellar doors.

Roadside signs signal the places to stop for farm fresh produce, from pick your own strawberries to organic vegetables. Choose from chocolate and cheese makers, cherry growers and fishermen selling the latest catch. Call in at the Red Hill Cool Stores or the Red Hill Market for the best of local produce, all in one spot.
