Discover Healesville Sanctuary

The Yarra Valley is like paradise for food and wine lovers. It's a picture-book region of vineyards and views, less than an hour's drive from Melbourne. See it all from above in a hot air balloon before working your way around the 40 plus cellar doors. Cool climate wines are produced by more than 60 wineries including some of the country's most famed labels, from De Bortoli and Domaine Chandon to Yering Station and Coldstream Hills.

While wine dominates in the Yarra, the region also has a reputation for producing quality gourmet delights. Seek out the top local fare along the Yarra Valley Regional Food Trail to create the ultimate picnic hamper – freshwater salmon and trout, caviar, nuts, seasonal fruit, berries and vegetables, handmade cheeses and chocolate. Meet the growers and stock up on seasonal produce at farm gates, orchards and roadside stalls. Visit the monthly Yarra Valley Regional Farmers' Market or head to the Yarra Valley Dairy for cheese tastings with views of vineyards and pastures.

Long lunches are a well established tradition here, with cafés, restaurants and wineries showcasing local food and wine. Yering Station and De Bortoli's restaurants spoil guests with seasonal food, wines made on site and spectacular views of the surrounding vineyards.

Yarra Valley food and wine is mixed with music at events like Rochford Wines' A Day on the Green, but the Yarra Valley Grape Grazing Festival is the highlight of the event calendar. In between tastings, head to the top rate Healesville Sanctuary with more than 200 species of Australian native animals.
