Pricing Guide

The prices featured in this brochure are intended as a guide. If you would like prices for other room types or travel dates, please ask your travel agent for the best available deal. Prices featured in accommodation listings are per room for the period specified unless otherwise stated. The "from" price in the property heading has been calculated using the cheapest nightly rate available, ie. in the lead-in room type, in off-peak season. If a free night offer is available, even if for part of a season, this has been included when calculating the from price. A minimum stay is generally required. Where prices for more than a one night stay are featured, the prices refer to stays of consecutive nights.
