The most famous national park in the Top End, there's something extra special about World Heritage listed Kakadu National Park. You will feel it when you see the spectacular Jim Jim and Twin Falls, and when you travel the impressive waterways of the scenic Yellow Water Billabong and the East Alligator River. Share your holiday with an incredible amount of wildlife. Get the binoculars out as you will have the chance to see more than a third of Australia's bird species and loads of freshwater crocs. On top of that, there are more than 1,000 plant species and a quarter of our native freshwater fish species; the Barramundi tops the list for fishing.

On land, Kakadu's landscape is rugged and dramatic. Explore the ancient Aboriginal rock art of Nourlangie Rock and Ubirr. Then head out to nearby Jabiru and Cooinda. A round of golf at Cooinda Golf Club will see you tee off at Australia's only golf course in a national park.

A lucky few each year have the chance to explore the mysterious terrain of Arnhem Land. The Aboriginal owners preserve their fascinating culture through arts and crafts, stories and traditions. Gain access to their world. Keep an eye out for local art galleries to take home a piece of Australian culture.

Discover the natural beauty and cultural importance of areas such as Mount Borradaile, the wild coastlines of the Cobourg and Gove Peninsulas as well as the archipelago of Groote Eylandt, where you'll receive a warm welcome from the traditional owners. Highlight your stay in Arnhem Land with world class fishing, pristine beaches and rich indigenous culture. Whichever road you take, your venture into Arnhem Land will be an unforgettable experience.
