# TRAVEL TIPS

## WHEN TO GO

The Top End has two distinct seasons, the green season (November to April) and the dry season (May to October). The dry season generally has dry sunny days with cooler nights while the green season is characterised by high humidity, monsoonal rains and storms and is the best time to see waterfalls.

The climate in The Red Centre is one of extremes with hot summers, cold winters and very little rain all year round.

## GETTING AROUND

### BY RAIL

Take the ultimate journey through the heart of Australia on The Ghan. This amazing rail journey begins in Adelaide and traverses the Red Centre, passing through Alice Springs and Katherine before concluding in Darwin in the Top End (also operates in reverse). See pages 14 and 15 for more details.

### BY CAR

Take the time to explore and discover as you make your way through the Northern Territory by road. We offer a selection of suggested driving itineraries, providing you with the freedom to see the Northern Territory at your own pace. Refer to the Self Drive Holidays starting on page 18 for more details.

Speed limits apply in all urban areas and highways of the Territory. Travellers should drive at a speed that suits the road, vehicle, weather conditions and their driving experience. Avoid driving after dark as cattle and wildlife often congregate alongside outback highways.

## NATIONAL PARKS PASSES

All visitors to Kakadu National Park and Uluru-Kata Tjuta National Park must purchase a National Park Pass prior to entering the Parks. As this fee is not payable directly to the hotel or tour operator and because there are a number of different options available, this fee is not included in the prices featured on individual accommodation and tour listings in this brochure, unless otherwise specified.

Park passes can be purchased from National Park Entry Stations in the Northern Territory or online at [parksaustralia.gov.au](http://parksaustralia.gov.au), where you can also find full details of the various options available for purchase.

## ABORIGINAL CULTURE

Almost one quarter of the Northern Territory's population are Aboriginal people and approximately half of the Territory is Aboriginal owned land.

Family business and ceremonies are important to Aboriginal people and these matters take priority, which may alter scheduled tours or restrict access to sites with spiritual significance.

## ABORIGINAL LAND ACCESS

Driving over Aboriginal owned land and access into Arnhem Land is restricted. Visitors must apply for a permit from the Northern Land Council or alternatively choose a tour where operators have permission from the traditional owners to enter their land.

## SWIMMING

The Northern Territory has many safe places to swim, including local nature reserves and in some national parks. Salt and Freshwater crocodiles are found in most Top End billabongs and rivers, and are occasionally seen on remote beaches. This is generally sign-posted, but if you are unsure, don't swim. Beach swimming is not recommended from October to April due to marine stingers.

# EXPERIENCES YOU'LL LOVE

The best part of any journey is the experiences you have along the way, leaving you with memories to relive long after the holiday is over.

The Northern Territory has countless amazing things to see and do. Here are 10 of our favourites to inspire your wanderlust.

## WEST MACDONNELL RANGES

The West MacDonnell Ranges, stretching 161 kilometres west of Alice Springs, are the perfect backdrop to explore the scenic beauty and history of the area. Take a short walk on one of the well-marked walking tracks or tackle the challenging 223 kilometres of the Larapinta Trail. Cool off with a refreshing dip in a watering hole such as Ellery Creek Big Hole, Ormiston Gorge or Glen Helen Gorge and go in search of rare plants and wildlife. This beautiful part of the Northern Territory is not to be missed.

## ULURU & KATA TJUTA NATIONAL PARK

Journey to the spiritual heart of Australia and discover Uluru (Ayers Rock) and Kata Tjuta (The Olgas). Measuring almost 10 kilometres around the base, there are so many ways to experience the magic of Uluru. Walk the circumference, take a camel ride, ride a bike or Segway, or take a scenic helicopter flight. The 36 domes of Kata Tjuta are roughly a 45 minute drive west of Uluru. Join a guided sunrise or sunset tour and explore the rugged Valley of the Winds and Walpa Gorge walking tracks.

## ALICE SPRINGS & DARWIN

Not only the gateways to everything that makes the Northern Territory unique, Alice Springs and Darwin are fascinating cities with so much to offer. Visit the base of the iconic Royal Flying Doctor Service and see the largest classroom in Australia at the School of the Air in Alice Springs. Take a cruise on Darwin Harbour, swim with crocodiles at Crocosaurus Cove and brush up on your military knowledge at the historic sites hit by Japanese air raids in 1942. Darwin encapsulates the laid-back atmosphere and multiculturalism unique to the Northern Territory.

Uluru rises 348 metres from the ground, almost as high as the Empire State Building in New York

## LITCHFIELD NATIONAL PARK

Swim under plunging waterfalls, wander through towering termite mounds and discover native wildlife – all only a 90 minute drive from Darwin. Take a short walk through cypress pines to the Tolmer Falls viewing platform, soak in the three-tiered watering hole at Buley Rockhole and cool off in the water beneath the spring fed waterfalls of Florence and Wangi. Jump in a four wheel drive to explore the sandstone relics of the Lost City and see the fascinating two metre tall magnetic termite mounds. It's easy to see why Litchfield National Park is a favourite with the locals.

## NITMILUK NATIONAL PARK

Cruise into paradise and discover the abundant waterways and cascading waterfalls of the 13 stunning gorges that make up Katherine Gorge in Nitmiluk National Park. Hire a canoe and paddle along the gorges to see waterfalls, Aboriginal rock art and wildlife. Join a gorge cruise or walk the 58 kilometre Jatbula Trail. Cool off in a secluded and tranquil swimming hole at Sweetwater Pool or the pandanus-fringed plunge pool at Edith Falls. With remote and dramatic scenery, Nitmiluk National Park forms the crossroads between the outback and the tropics.

## KAKADU NATIONAL PARK

Kakadu is Australia's largest national park. Go in search of crocodiles, jabirus and other native wildlife aboard a Yellow Water Cruise through the billabong. Learn about Aboriginal culture at the Warradjan Cultural Centre and view incredible rock art at Ubirr. Slip into the crystal clear waters of the rock pools at Maguk and see the imposing 200 metre high waterfall at Jim Jim Falls before taking a dip in the plunge pool.

## MINDIL BEACH MARKETS

Reflect on another memorable Top End day as the sun slowly sinks into the ocean at the Mindil Beach Sunset Markets in Darwin, open Thursdays and Sunday afternoons (April to October). With over 100 stalls to browse through, shop for uniquely Territorian arts and crafts, homewares, clothing and jewellery. Taste the world as you wander through the 50 plus food outlets. ## FIELD OF LIGHT

Don't miss the chance to see acclaimed international artist, Bruce Munro's Field of Light. As darkness falls and Uluru is thrown into silhouette, Field of Light illuminates. As far as the eye can see, more than 50,000 stems crowned with deep violet, blue and gentle white frosted-glass bloom over Australia's spiritual heartland. The exhibition is Munro's largest work to date and covers more than seven football fields. Take a self-guided walk with the Field of Light Pass or indulge with a Star Pass which includes a selection of canapés with sparkling wine or beer and plenty of time to wander through the exhibition under a starlit sky.

## KINGS CANYON

Surround yourself with 100 metre high sandstone walls and palm-filled crevices as you step deep into the heart of Kings Canyon. Start early in the day before it gets too hot and take in the breathtaking views as you walk along the red rock cliffs on the Kings Canyon Rim Walk. Continue your journey through Priscilla's Crack, made famous by the classic Australian movie, Priscilla, Queen of the Desert. For an easier hike, the Kings Creek trail follows a track between two soaring canyon walls to a lookout point. Be welcomed by spectacular views of the sheer cliff face at the far end of the canyon.

## ARNHEM LAND

Be inspired by one of the Top End's most spectacular natural destinations, Arnhem Land. Rugged coastlines, remote islands, rivers teeming with fish, lush rainforest and towering escarpments combine to create a timeless wonderland. This vast area is one of Australia's last strongholds of traditional Aboriginal culture. Join a cultural tour at Injalak Hill to see ancient rock art and hear Dreamtime stories, visit some of the art and craft centres or take part in an interpretative walking trail. Every visitor to Arnhem Land requires a permit, so we suggest that you join a guided tour.

# ARNHEM LAND

Arnhem Land spans 97,000 square kilometres in the north-eastern corner of the Territory. Isolated bays, marine life, mangrove decorated tidal flats and spectacular landscapes combine to create one of Australia's last true wilderness areas. Fish in the remote waters and take the opportunity to obtain rare access into Indigenous communities, unchanged for centuries.

While four wheel drive access into Arnhem Land is possible, it is recommended that you check which areas require access permits and allow time for this when planning your holiday. As tourist access is quite strict, it is best to travel as part of a tour which includes permits.

## SEE

- Visit the ruins of early Victorian settlement in Garig Gunak Barlu National Park

## DO

- Meet Indigenous artists working at Injalak Arts and Crafts Centre and view colourful woven baskets and screen printing

All prices are the lowest available prices at the time of print and are a guide only. Please check all prices, availability, fees, conditions and information with your travel agent before booking.

If we must change any part of your booking for reasons beyond our control, for example, an Accommodation Supplier overbooks accommodation, or if there is an increase in taxes or Supplier charges, we will notify you. If any such changes result in your holiday costing more or otherwise being materially different from that originally booked, you may cancel the booking and we will refund any monies already paid less any charges levied by Suppliers.

## PRICES DO NOT INCLUDE
