Pricing Guide

Prices featured in accommodation listings are per room for the period specified unless otherwise stated. The "from" price in the property heading has been calculated using the cheapest nightly rate available, ie. in the lead-in room type, in off-peak season using the longest stay (eg. 7 nights). If a free night offer is available, even if for part of a season, this has been included when calculating the "from" price. A minimum stay is generally required. Where prices for more than a one night stay are featured, the prices refer to stays of consecutive nights.

Adelaide

World class food and wine, sophisticated architecture and a jam packed calendar of events, South Australia's capital has it all. Find sensational fresh produce, gourmet delights, and plenty of retail therapy at the famous Central Market. A short tram ride away is beachside Glenelg. Stroll the jetty, browse the shops or relax in a seaside café. Just a 30 minute drive from Adelaide are the picturesque Adelaide Hills. Discover country markets, galleries, cellar doors, fantastic food experiences and the German heritage town of Hahndorf.

Barossa

As far as Australian wine regions go, you can't go past the Barossa. Just an hour out of Adelaide, a world of culinary delights await. The region is filled with wineries and cellar doors, roadside stalls, speciality food products, galleries and museums. Chat to winemakers and artisan food producers about the region they love. Sample a full bodied red straight from the cellar door, or fresh produce from the Barossa Farmers Market. Beyond the vineyards are national parks for getting back to nature and golf courses to test your skills.

Clare Valley

Loyal fans of food and wine can continue a culinary love affair in the Clare Valley. Less than a two hour drive from Adelaide, the Clare Valley is renowned for the finer things in life with delicious gourmet food, a rich heritage and world class wines. It's a little slice of country paradise, with acres of farmland, vineyards and stone ruins dating back to the pioneers. Stroll between cellar doors, dine out at a restaurant or café or cycle along the region's famous Riesling Trail.

Kangaroo Island

Kangaroo Island is nature's playground, where sea lions, fur seals and penguins parade the beaches. Around a third of the island is national or conservation park, earning it the nickname, the 'zoo without fences'. The island's scenery is outstanding and unique; from the natural sculptures of the Remarkable Rocks to the giant sand dune known as Little Sahara. It's easy to get a taste for Kangaroo Island's outstanding produce. Try the honey, cheeses, wine, oysters and whiting.

Fleurieu Peninsula

The Fleurieu Peninsula ticks all the boxes for the ideal holiday destination. Less than an hour's drive from Adelaide is stunning coastal scenery, excellent beaches for surfing and swimming, and the gourmet food and wine of the McLaren Vale region. Plus there's the relaxed and friendly lifestyle, whale watching and easy access to Kangaroo Island.

Limestone Coast

With spectacular vistas from start to finish, the Limestone Coast is an ideal self drive holiday destination. The region is dotted with historic towns, lush farming country, coastal villages and beautiful national parks. Explore the World Heritage Listed Naracoorte Caves National Park or sample a glass of red in the Coonawarra wine region.

Eyre Peninsula

Explore the wonders that lie beneath the sea, come face to face with one of the ocean's most feared predators a Great White or for something a little less scary, a swim with sea lions. Selecting a base to explore this region, with it varied landscapes, wildlife, fishing and seafood is easy – it has to be Port Lincoln. To the west, discover the legendary Nullarbor Plain – one of Australia's great road journeys.

Flinders Ranges

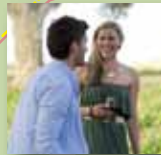

Dramatic mountain peaks, caves, gorges, fossil remains and geological history – discover one of the oldest mountain ranges on Earth. Each section offers something different. Seek out Aboriginal rock art and ruins of early European settlement or scenic walking and cycling trails. Explore the impressive amphitheatre at Wilpena Pound in the Central Flinders Ranges. Go winery hopping in the south. Further north spot wildlife and witness spectacular starry night skies at Arkaroola.

The Outback

Lose yourself in outback South Australia with its red dirt, wide open spaces, friendly characters and awe-inspiring landscapes. The frontier town of Coober Pedy is world famous for its opals and all things quirky. There's underground homes, dugout churches and hotels, working opal mines and historic museums – all surrounded by a lunar landscape. Be a postman for the day and deliver mail to outback stations on the 'Outback Mail Run'.

This amazing rail journey begins in Adelaide and traverses the Red Centre, passing through Alice Springs and Katherine before concluding in Darwin in the Top End (operates in reverse). Or take the mighty Indian Pacific from Sydney or Perth. This epic journey traverses Australia from coast to coast. See our Great Australian Rail Holiday brochure for more holidays by rail.

BY CAR Take the time to explore and discover as you make your way through South Australia by road. Whether it's getting there or getting around we recommend Avis car hire. See page 48 for details or ask your travel agent about the great specials Avis has to offer.

We offer a selection of suggested driving itineraries, providing you with the freedom to see South Australia at your own pace. Refer to the Self Drive Holidays starting on page 12 for more details.

Driving conditions in South Australia are varied. Take care when travelling in remote areas during summer, as temperatures in Outback Australia can reach over 40°C. Avoid driving after dark as cattle and wildlife often congregate alongside outback highways at night. Major roads on Kangaroo Island are sealed, however the majority of roads are unsealed and require reduced speed and caution. Travellers should drive at a speed that suits the road, vehicle and weather conditions.

Beach Safety

Australia has some of the world's best beaches, however care and caution should be exercised at all times. Please remember to swim between the red and yellow flags and listen to instructions from lifesavers and lifeguards.

There's such a rich heritage throughout the Barossa, from the historic buildings to artisan food producers specialising in traditional fare.

Soak up the country hospitality, gourmet food and delightful wines of the Clare Valley. The landscape is dotted with farms, vineyards and country roads leading to lovingly restored heritage towns. Follow the 300 kilometre drive along the Heartland Heritage Trail to experience the living traditions in the Clare Valley. Hire a bike and cycle the Riesling Trail, stopping at dozens of wineries along the way. Sample the local produce – everything from chutney to organic lamb – in the many farm shops, cafés and restaurants. All this local food and wine is there to be enjoyed, after all.

Kangaroo Island

Seal Bay Conservation Park

Beautiful beaches to play on, great food and wine, spectacular scenery and wildlife encounters around every corner they're all here on Kangaroo Island. Accessible by ferry from Cape Jervis or by plane from Adelaide, visit for a day or stay for a while.

It's one of Australia's great natural wonders and with more than a third of it conservation or national park, Kangaroo Island is often known as the 'zoo without fences'. Expect to see things you'd never normally come across in the wild. Like meeting the local sea lions on the beach at Seal Bay. At Kingscote and Penneshaw, there's another wildlife encounter when the delightful Little penguins head home at dusk, or see the playful fur seals at Cape du Couedic in Flinders Chase National Park.

Kangaroo Island is a standout location for scenery alone. Walk among amazing rock formations, like the huge weather sculpted granite boulders, the Remarkable Rocks and the equally impressive Admirals Arch. Sandboard down the massive sand dunes at Little Sahara or venture down into the underground world of Kelly Hill Caves. And with over 480 kilometres of coastline, there are plenty of spots for swimming, surfing, diving and fishing.

Go for a surf at Pennington Bay or Stokes Bay – the island's sensational and uncrowded surf breaks are a well kept secret. Throw a line in off the jetty at Emu Bay, one of the most popular island beaches. The long curve of Vivonne Bay is considered one of the best beaches in Australia. Its sandy beach and wonderful turquoise waters are the pick for swimming, surfing and fishing.

Like the rest of South Australia, Kangaroo Island has much to offer in the way of food and wine. Don't miss the fresh seafood – King George whiting, oysters and marron (freshwater crayfish) are a specialty. Taste locally produced wines, pure Ligurian honey and delicious hand made cheeses and yoghurt from the Island Pure Sheep Dairy.

Our Favourites

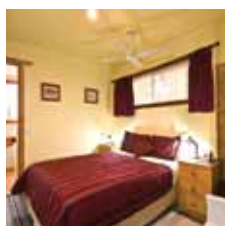

- Encounter sea lions at Seal Bay
- Visit the island's produce farms
- See the amazing Remarkable Rocks and Admirals Arch
- Sandboard the Little Sahara dunes

Our Favourites

Enjoy fresh lobster of the Limestone Coast

See fossils at World Heritage Listed Naracoorte Caves

Visit Coorong National Park

Take a horse-drawn tram ride from Victor Harbor to Granite Island

Picnic and play at the beautiful coastal beaches of the Fleurieu Peninsula

Visit the Willunga Farmers Market each Saturday

Enjoy wine tasting in McLaren Vale and Coonawarra wine regions

See the Little penguins at Granite Island

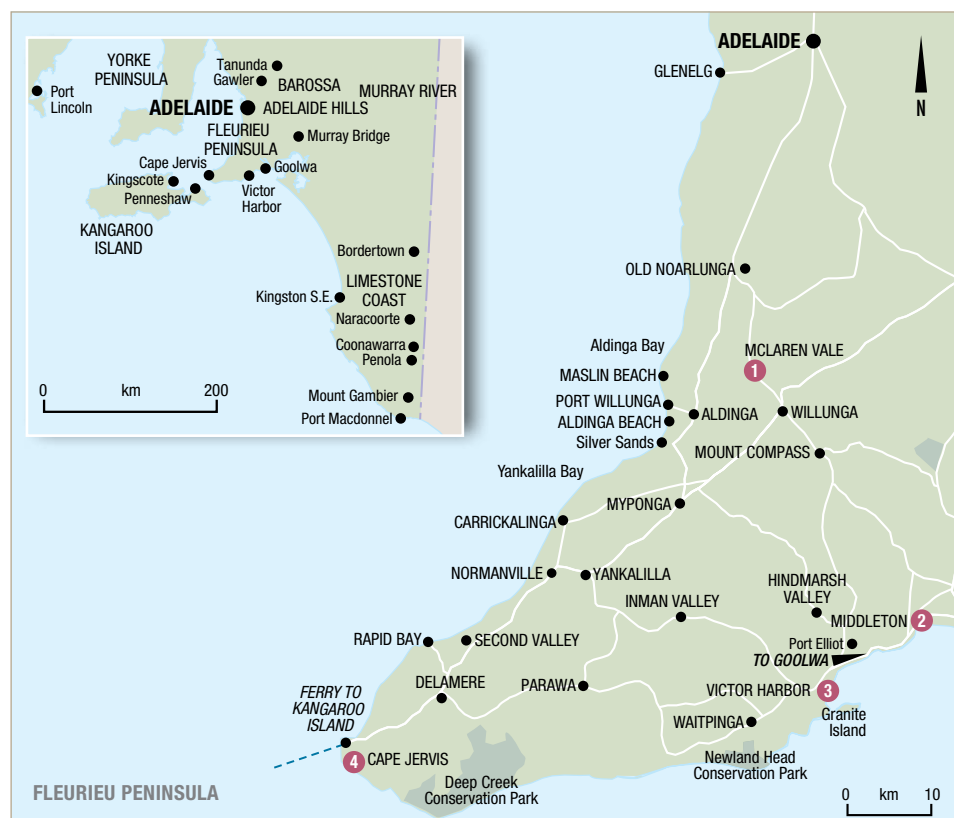

Find the perfect mix of wineries, beaches and small town charm along the Fleurieu Peninsula. Under an hour from Adelaide, even the locals holiday here. It's a place where you can do anything from diving around shipwrecks to strolling through quaint country towns and vineyards.

Seaside Victor Harbor is a holiday town with sun, surf, sand and a laidback atmosphere. Encounter Little penguins at Granite Island – get there by Clydesdale-drawn tram across the causeway. From May to October, Southern Right whales are another resident of the waters off Victor Harbor.

The Fleurieu Peninsula boasts four wine regions – McLaren Vale is the best known, and has a prime spot between the hills and the ocean. The town's main street is a charming showcase of local produce, cellar doors, art and craft stores, cafés and more. More than 50 wineries dot the area and it's bursting with local produce, from olives and almonds to pheasant and cheese. Taste it all at farmers markets and roadside stalls. The Willunga Farmers Market held every Saturday morning is one of the best around.

From one great coastal region to another, see what sets the Limestone Coast apart. Sample locally caught Southern rock lobster and red wine from the Coonawarra region cellar doors. Explore caves in Naracoorte Caves National Park, dive among shipwrecks or cruise the waters of Coorong National Park. The Limestone Coast is perfect for self drive holiday makers.

Tucked between Adelaide and Melbourne is the historical city of Mount Gambier. Famous for its 'Blue Lake' which changes colour dramatically each year and is just one of the lakes within the three craters of the volcano. The city also boasts beautiful parks and gardens, caves and sinkholes. An interesting mix of galleries, museums and markets provides an insight into the culture and arts of the town and within easy access to the Great Ocean Road.

Coffin Bay National Park

Our Favourites

- Self drive the Seafood & Aquaculture Trail to taste the region’s spectacular seafood
- Whale watch from the Head of Bight (May to October)
- Visit Gawler Ranges National Park and Lake Gairdner, a vast salt lake
- Taste delicious Coffin Bay oysters
- Enjoy a swim with the sea lions or tuna tour
- Play golf on the Nullarbor Links Golf Course, the world’s longest golf course

It’s a coastal escape with a difference on the Eyre Peninsula. Here you can take in white sandy beaches and coastal landscapes as you feast on fresh seafood. Everything from famed Coffin Bay oysters to shellfish, tuna and prawns are on the menu.

It’s seafood lover’s heaven. Tuck into oysters, mussels, rock lobster, whiting and abalone to see how the area got its reputation as the country’s seafood capital. Follow the Seafood & Aquaculture Trail, a self drive route extending around the peninsula that showcases the best in the area.

Choosing a base to explore this brilliant blend of varied landscapes, wildlife, fishing and seafood is easy – it has to be Port Lincoln. This bustling fishing hub boasts a protected harbour three times the size of Sydney Harbour, with a backdrop of green, wooded hills. From here you can fish or sail on Boston Bay, explore the sheltered or surf beaches and tour the seafood and aquaculture industries.

For the truly adventurous, the waters south of Port Lincoln are the place for the ultimate wildlife encounter; cage diving with Great White sharks. In fact, wildlife adventures are all around. Swim with tuna or visit the sea lions at Baird Bay. Spot birdlife at Coffin Bay.

Then when it’s time to get going, the road will lead you out to Ceduna and along the Nullarbor Plain, one of Australia’s great road journeys.

Tour the scenic Breakaways or Painted Desert from Coober Pedy

It's a whole other world in the outback, and one that's worth a visit. Put yourself in the early explorers' shoes, walking the Flinders Ranges National Park past ancient gorges and beautiful ranges. The rocky peaks of Mount Remarkable beg to be climbed, while the Southern Flinders Flavours Trail provides gourmet treats to keep you in peak form. Some of the best sights can be seen on foot, or you can take to the road by bicycle or 4WD.

The towering rock walls, gorges and Aboriginal rock art of Wilpena Pound are the centrepiece of the Flinders' outback. Soar over the area on a scenic flight, past dramatic peaks and vibrant red earth.

The outback characters are as unique as the scenery, with a way of life unlike anywhere else. Half the population of opal mining town Coober Pedy lives underground. Other outback locals live so far away they love a visit from travellers who join the Outback Mail Run; a customary trip to Oodnadatta and William Creek.

With such a vast and varied landscape, there's plenty of opportunity for adventure. Head out to the massive salt sink that is Lake Eyre – it has only filled to full capacity three times in the past 150 years. From Coober Pedy try your luck at opal digging or visit the colourful sandstone outcrops known as The Breakaways.

Visit friendly Port Augusta, your gateway to the outback and Flinders Ranges. For the experienced adventurer, follow a network of springs and creeks as you travel the iconic Oodnadatta, Birdsville and Strzelecki Tracks through the heart of the outback.
