

Fleurieu Peninsula and Limestone Coast

Maslin Beach, Fleurieu Peninsula

Find the perfect mix of wineries, beaches and small town charm along the Fleurieu Peninsula. Under an hour from Adelaide, even the locals holiday here. It's a place where you can do anything from diving around shipwrecks to strolling through quaint country towns and vineyards.

Seaside Victor Harbor is a holiday town with sun, surf, sand and a laidback atmosphere. Encounter Little penguins at Granite Island – get there by Clydesdale-drawn tram across the causeway. From May to October, Southern Right whales are another resident of the waters off Victor Harbor.

The Fleurieu Peninsula boasts four wine regions – McLaren Vale is the best known and has a prime spot between the hills and the ocean. The town's main street is a charming showcase of local produce, cellar doors, art and craft stores and cafés. More than 50 wineries dot the area and it's bursting with local produce, from olives and almonds to pheasant and cheese. Taste it all at farmers markets and roadside stalls. The Willunga Farmers Market held every Saturday morning is one of the best around.

From one great coastal region to another, see what sets the Limestone Coast apart. Sample locally caught Southern rock lobster and red wine from the Coonawarra region cellar doors. Explore caves in Naracoorte Caves National Park, dive among shipwrecks or cruise the waters of Coorong National Park. The Limestone Coast is perfect for self drive holiday makers.

Tucked between Adelaide and Melbourne is the historical city of Mount Gambier. Famous for its 'Blue Lake' which changes colour dramatically each year and is just one of the lakes within the three craters of the volcano. The city also boasts beautiful parks and gardens, caves and sinkholes. An interesting mix of galleries, museums and markets provides an insight into the culture and arts of the town and within easy access to the Great Ocean Road.
