Accessible by ferry from Cape Jervis or by plane from Adelaide, Kangaroo Island offers beautiful beaches, great food and wine, spectacular scenery and wildlife encounters around every corner.

It's one of Australia's great natural wonders and with more than a third of it conservation or national park, Kangaroo Island is often known as the 'zoo without fences'. Expect to see things you'd never normally come across in the wild. Meet the local sea lions on the beach at Seal Bay, at Kingscote and Penneshaw see the delightful Little penguins head home at dusk or watch the playful fur seals at Cape du Couedic in Flinders Chase National Park.

Kangaroo Island is a standout location for scenery alone. Walk amongst amazing rock formations, see the huge weather sculpted granite boulders known as the Remarkable Rocks and the equally impressive Admirals Arch. Sandboard down the massive sand dunes at Little Sahara or venture down into the underground world of Kelly Hill Caves. With over 480 kilometres of coastline, there are plenty of spots for swimming, surfing, diving and fishing.

Go for a surf at Pennington Bay or Stokes Bay – the island's sensational and uncrowded surf breaks are a well kept secret. Throw a line in off the jetty at Emu Bay, one of the most popular island beaches. The long curve of Vivonne Bay is considered one of the best beaches in Australia. Its sandy beach and stunning turquoise waters are the pick for swimming, surfing and fishing.

Like the rest of South Australia, Kangaroo Island has much to offer in the way of food and wine. Don't miss the fresh seafood – King George whiting, oysters and marron (freshwater crayfish) are a speciality. Taste locally produced wines, pure Ligurian honey and delicious hand made cheeses and yoghurt from the Island Pure Sheep Dairy.
