Action-packed adventure and a down-to-earth local culture combine for a very worthy stopover at Lake Taupo. A huge freshwater lake is the centrepiece for a packed itinerary of exploration. Visit geysers, steaming craters, boiling mud pools or go trout fishing and have a local restaurant prepare your catch. Take the riverside walk to Huka Falls to see 220,000 litres of water plummet over the cliff face every second.

Mother nature turns it on at Tongariro National Park. It's here you'll find active volcanoes Ruapehu, Tongariro and Ngauruhoe, fascinating spectacles at any time of year. At nearby Whanganui National Park, rivers, waterfalls and gorges are the backdrop to days spent hiking, fishing, kayaking, horse riding and enjoying some unforgettable holiday experiences.
