

## A Destination Wedding

A choice of beautiful ceremony locations, picture-perfect backdrops for photographs, elegant reception venues, accommodation for you and your guests and a Wedding Co-ordinator to plan every detail... welcome to a destination wedding!

A destination wedding can be everything you want it to be. Whether you are planning an intimate ceremony for two, a small gathering of close family and friends or a grand celebration, anything and everything is possible.

Your ceremony can be as relaxed or formal as you wish. Whether it's a traditional service in a chapel, a poolside ceremony surrounded by tropical blooms, or simply barefoot on the beach, the choice is yours.

All of the resorts in our brochure cater for weddings and honeymoons, or alternatively you may prefer to enjoy your wedding day with family and friends and then escape to a more private location to begin married life together.

Whichever you choose, you'll find that celebrating your special day at an idyllic resort can be as wonderful as you dreamed and easier than you could imagine.

## Experienced Wedding Co-ordinators

Once you have chosen the location for your wedding, a knowledgeable Wedding Co-ordinator will work with you to ensure the special day you've always dreamed of becomes the perfect day you'll remember forever.

From the time of booking to the all-important day, an experienced professional is available to provide you with advice and guidance and will ensure no detail is left to chance.

On the day, attentive yet discreet service will allow you and your guests to relax and celebrate in style.

## Start Planning Today!

Whether you'd prefer to be hands-on or leave it to the professionals, planning your wedding is a very exciting time. And if you plan your wedding with Sunlover Holidays, everything is easy.

At the time of booking your wedding with us, all you need to do is advise your ceremony date, time and location. We will make your booking and the destination Wedding Co-ordinator will make contact with you to go through all the finer details.

Your Wedding Co-ordinator will explain any additional products and services available, such as flowers, photographers, beauty services, location set-up and reception venues.

## The Details

For weddings in Australia, a Notice of Intended Marriage form should be lodged with the Celebrant at least one month and one day prior to your wedding day. The minimum age to marry is 18 years.

Marriages in Fiji and the Cook Islands are recognised in Australia and New Zealand and are legally binding. The minimum age to marry is 21 years in Fiji and 20 years in the Cook Islands.

We recommend you arrive in either country at least three business days before the ceremony. Applications for a marriage licence must be made in person at a Registry Office.

Documents usually requested are passport, original birth certificate, evidence of current marital status such as divorce certificate if relevant.

Ask your Wedding Co-ordinator or Celebrant if any specific legal requirements or documents apply for you.
