

Sydney Harbour Bridge

As Australia's largest city, Sydney is big and bustling, but its distinct precincts and great transport system make it easy and fun to explore.

The hub of Circular Quay may well be the focal point of the city. A launch pad for many harbour adventures, you'll find cruise operators and ferries coming and going all day long and massive cruise ships docking here too. Fanning out from this hive of activity is The Rocks – a compact historic quarter full of converted warehouses and cobblestone lanes. Within walking distance are the famous Sydney icons – the Sydney Harbour Bridge and the Sydney Opera House, as well as boutiques, restaurants and historic pubs.

The city centre is the commercial heart of Sydney. Clusters of modern skyscrapers look down on some of the best shopping arcades, malls and dining venues, as well as museums, galleries and lush green parks.

Fronting the harbour on the CBD's west side is the waterfront playground of Darling Harbour. At any hour the area buzzes with dining, nightlife, entertainment, family attractions and shopping. Make use of the modern light rail system that wraps around Darling Harbour with ease.

Just south, discover the inner city hubs of Chinatown, Haymarket, Ultimo and Chippendale. These colourful and exciting precincts offer a mix of cuisines, bargain shops, markets and the Central railway station.

Wherever you choose to stay in Sydney city, you'll have easy access to all of the city's highlights.
