Fly into Norfolk Island and find yourself in another world. It's a subtropical paradise with a fascinating history and culture, fresh island food, locally produced wine and coffee, all at a pace that's most serene. Everything is so relaxed you'll soon adopt the laidback approach the locals have to life.

The people of Norfolk share stories of the island's fascinating history, especially the Bounty Mutineers. Some even speak their own language – a sing-song blend of Old English and Tahitian that is one of the rarest in the world.

Spectacular scenery lends itself to time outdoors. Take your pick from any number of sports – golf, tennis, lawn bowls or horse riding. See local artisans at work, with an impressive array of weaving and pottery for sale. You can even learn to hula from the traditional Tahitian descendants who live on the island.

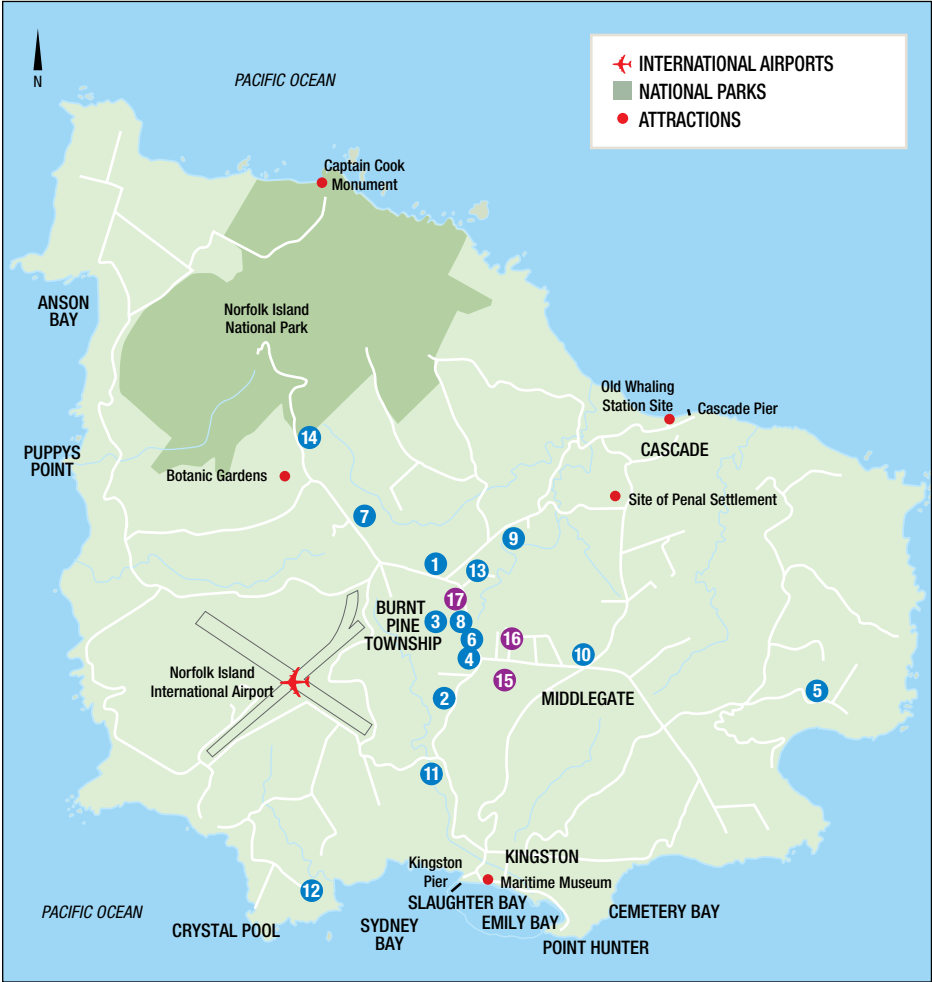

Add some action to your itinerary. Snorkel or scuba dive the coral reef in some of the clearest waters around. There are more than 30 dive sites ranging from the safety of the lagoon to the thrill of open water. Take to the hills for a walk beneath some of the tallest tree ferns on earth.

Unwind in a place that will have you hooked from the moment you get off the plane.
