TRAVEL TIPS

WHEN TO GO

The Sunshine State is a stunning destination year round. Southern Queensland has hot summers, perfect for spending all day in the water. Winter brings beautiful days with clear skies and cooler nights. The shoulder seasons, April to May and October to November, are warm and pleasant for beach days.

Escape to Tropical North Queensland April to October when days are warm and dry with low humidity. It's a great time of year to take advantage of the reef, since the risk of stingers is minimal. To see flowing waterfalls and full-to-the-brim lakes, plan your holiday from November to March. The humidity is higher, crowds are lower, but the action is still in full swing.

GETTING AROUND

By Car

Take the time to explore as you make your way through Queensland by road from the comfort of your rental car. See pages 14 and 15 for car hire options.

By Rail

Enjoy Queensland's coast in comfort aboard the Tilt Train from Brisbane to Rockhampton, or the Spirit of Queensland from Brisbane to Cairns. The Spirit of the Outback services regions between Brisbane and Longreach. Experience Gulf Savannah country aboard the Gulflander. Refer to our Queensland Rail Holidays brochure for more great rail ideas.

BEACH SAFETY

Queensland has some of the world's best beaches, however care and caution should be exercised at all times. Please remember to swim between the red and yellow flags and listen to instructions from lifesavers and lifeguards. Marine stingers are present in coastal waters from October to June, so please heed warning signs and instructions. Many beaches have netted enclosures for safe swimming. In the Whitsundays, swimming is not permitted in Cid Harbour.

Queensland has countless amazing things to see and do. Here are 10 of our favourites to inspire your wanderlust.

THEME PARKS

GREAT BARRIER REEF

There are so many unforgettable ways to experience the Great Barrier Reef. Spend the day on a snorkelling and diving cruise and discover the kaleidoscope of corals and marine creatures of the outer reef. Stay on one of the islands right on the reef and snorkel straight from the beach. They offer an abundance of coral gardens to explore and marine life to see including fish, turtles, rays and reef sharks. For a once-in-a-lifetime adventure, why not spend a night on the reef under a blanket of stars or take to the air on a scenic flight.

DAINTREE RAINFOREST & CAPE TRIBULATION

The Daintree region stretches for 95 kilometres from Mossman Gorge to Cape Tribulation and along the Bloomfield Track towards Cooktown. It's thought to be one of the oldest rainforests in the world, boasting flora and fauna not found anywhere else. There are many ways to experience this unique place including cruising, zip lining, walking, horse riding or driving. Take a guided tour through Mossman Gorge for an insight into the Indigenous heritage. Stay in one of the eco lodges and experience the magic of the rainforest.

BRISBANE CITY & SURROUNDS

Blessed with subtropical weather all year round, Brisbane is the perfect place for a relaxing and fun-loving getaway. The city captivates with world-class shopping, cutting-edge dining and attractions that beckon you outdoors. Here are a few of our favourites.

HOWARD SMITH WHARVES

The historic wharves are located on the edge of the city beneath the Story Bridge and are the city's popular entertainment and dining precinct. Home to acclaimed restaurants, bars including Felons Brewing Co. and Mr Percival's, green spaces and a boutique hotel, it's the perfect spot to enjoy a drink and a bite to eat while taking in the amazing city and river views.

FORTITUDE VALLEY

Known as 'The Valley', it is a hub of activity where sophisticated style meets off-beat charm. Be spoilt with the dining options, from street food to fine dining, The Valley has it covered. Shop for one-of-a-kind finds or browse the boutiques along James Street. After dark is when The Valley really comes alive with rooftop bars, clubs where you can dance all night and a thriving live music scene.

BRISBANE RIVER CITYCATS

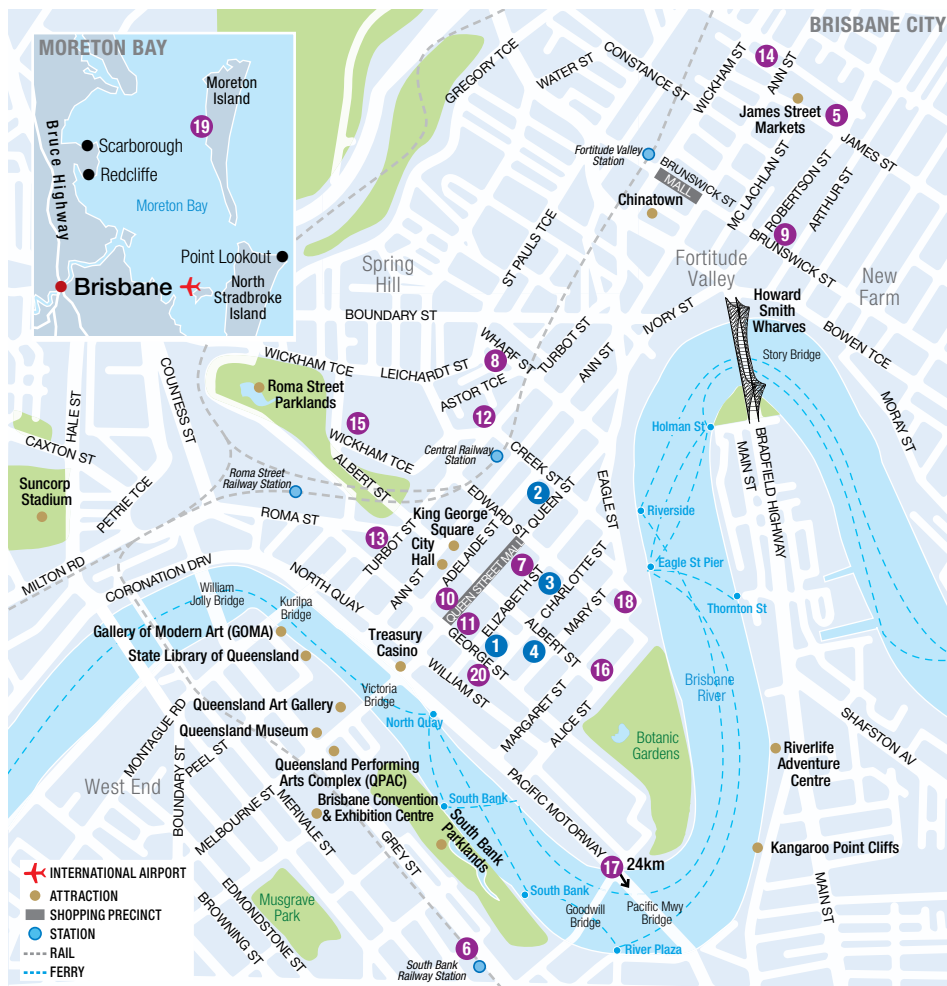

The iconic Brisbane River flows through the city linking the inner city precincts with a range of attractions and outdoor activities. Hop on a CityCat to see Brisbane from a different perspective. Running from the University of Queensland to the Hamilton Northshore, cruise past riverside mansions, parklands and Brisbane landmarks such as the Story Bridge and the Kangaroo Point Cliffs.

EAT STREET MARKETS

This foodie heaven is located by the river in the suburb of Hamilton and is not to be missed. Made up of 180 converted shipping containers, it is a feast for the senses as the sights, smells, tastes and sounds come to life every weekend. Sample dishes from all over the world and enjoy the decadent and Instagram-worthy desserts from KombiAlley while listening to live entertainment.

Noosa Everglades, Noosa, Queensland

Maheno Shipwreck,
Fraser Island, Queensland

SUNSHINE & FRASER COASTS

Home to a picture-perfect coastline, spectacular beaches and framed by lush hinterland, immerse yourself in the relaxed coastal lifestyle of the Sunshine and Fraser Coasts. Here are a few of our top picks.

NOOSA

Chances are Noosa is your idea of a perfect holiday destination. While its centre is a sophisticated resort town bursting with alfresco restaurants, cafés and stylish boutiques, it is also a mecca for families and couples. Learn to surf or try stand-up paddle boarding on the popular Main Beach. Walk along the Noosa National Park coastal track for breathtaking ocean views. Keep an eye out for pods of dolphins in Laguna Bay and spot sleepy koalas perched in the trees.

THE NOOSA EVERGLADES

The Noosa Everglades are one of only two everglade systems in the world. Explore the area on an eco-cruise or in a kayak and see banksias, tea trees, melaleucas and water lilies along the water's edge. Look out for pelicans, cormorants, eagles or rare jabirus that either visit or live in the area. Marvel at the reflections on the water that appear like a mirage; it's no surprise that the upper reaches of the Noosa River are often referred to as the River of Mirrors.

THE ORIGINAL EUMUNDI MARKETS

No matter what the weather, every Wednesday and Saturday the quaint country town of Eumundi comes to life as locals and visitors explore the renowned markets. With over 600 stalls selling locally made artisan treasures it is the biggest art and craft market in Australia and is shaded beneath leafy fig trees. Take a break and rejuvenate with a massage, have your palm read or listen to the live music while sipping a Sunshine Coast grown coffee with a home baked treat.

THE GLASS HOUSE MOUNTAINS

The Glass House Mountains rise dramatically from the surrounding landscape and are a distinctive landmark in the Sunshine Coast Hinterland. Formed 25 to 27 million years ago from volcanic activity, these magnificent rocky outcrops tower over pineapple plantations, bushland and cultivated fields. Today they are a popular location for bushwalkers and hikers to explore or enjoy scenic views from the lookout in Beerburum State Forest.

THE WHITSUNDAYS

Brilliant beaches lapped by turquoise waters, tropical islands with stylish resorts, laid-back coastal towns and the amazing Great Barrier Reef – the Whitsundays offer the ideal Queensland holiday. Here are a few of our favourite ways to discover the Whitsundays.

AIRLIE BEACH

Best known as the gateway to the Whitsunday Islands and the Great Barrier Reef, Airlie Beach offers everything from action to relaxation. Cruise through the islands and snorkel on rainbow-hued reefs. Cool off at Airlie Beach Lagoon, complete with a sandy beach and shaded grassy knolls. Dine al fresco year round in the beautiful Queensland sunshine. Swap beaches for tropical rainforest and hit the trails of Conway National Park.

GREAT BARRIER REEF

Visiting the Great Barrier Reef is a must for every bucket list and there is a variety of ways to discover this natural wonder. Head out on a day cruise and go snorkelling or diving. Take to the skies on a scenic flight to see the naturally formed Heart Reef. An unforgettable experience is sleeping under the stars on the deck of a pontoon or below the surface in a Reefsuite, where you can watch the marine life swimming beyond the glass walls.

WHITSUNDAY ISLANDS

The Whitsundays is perfect for an island getaway. Hayman is a secluded piece of paradise with crescent, white sand beaches, celestial-blue waters and verdant cliffs. Daydream is famous for its unique Living Reef; a coral lagoon wrapping the resort and home to a variety of marine life. Find private bays and coral fringing reefs on tranquil Long Island. Stunning Hamilton is the place for family fun or romantic luxury escapes.

WHITEHAVEN BEACH

Stretching along the southern side of Whitsunday Island is Whitehaven Beach. With crystal clear water and pristine white sand, it's no wonder this is one of the most photographed beaches in the world. Stroll along the seven kilometre stretch of white silica sand, swim in the warm water and walk to Hill Inlet Lookout to see the contrast of colours. For unforgettable views, take to the sky for a scenic flight over this stunning beach.

SAILING ADVENTURES

A sailing tour through one of the world's most beautiful waterways, Whitsunday Passage is a once-in-a-time experience. No itinerary is the same as the next, just lay back and enjoy the sunshine while your skipper chooses the best spots to drop anchor each day. There are vessels catering from small groups and families to couples looking for a romantic escape. If you're strapped for time a day sail will show you the highlights of the Whitsundays.

WATERSPORTS

The Whitsundays is a water lover's wonderland. Snorkel over coral, kayak from beach to beach, stand-up paddle board in calm bays, feel the wind in your hair on a Hobie catamaran and ride the waves while windsurfing. Most of the island resorts offer complimentary use of snorkelling and non-motorised equipment. For a thrill, experience an exhilarating fast catamaran ride or a jet ski tour through the islands.

TROPICAL NORTH QUEENSLAND

Fringed by reef and surrounded by rainforest, Tropical North Queensland is rich in natural beauty. Explore the Daintree Rainforest, snorkel the Great Barrier Reef or laze on the sands of a tropical island, there is something for everyone. Here are a few of our top picks.

CAIRNS

The gateway to Queensland's tropical north, Cairns is the perfect base from which to explore the Great Barrier Reef, rainforest and tropical islands. Discover rich history and Aboriginal culture at one of the art galleries, take a dip in the sparkling Esplanade Lagoon and soak up the outdoor lifestyle at the many restaurants and cafés. Cairns is an ideal holiday destination to relax and explore.

GREAT BARRIER REEF

A trip to Tropical North Queensland would not be complete without visiting the Great Barrier Reef. Numerous full and half day trips run from Port Douglas, Cairns and Mission Beach on a variety of vessels featuring activities such as diving, snorkelling and glass bottom boats. Alternatively, try a unique live aboard, overnight experience. For high flyers, there's no better way to see the reef than on a scenic helicopter flight.

RAINFOREST

With 900,000 hectares of World Heritage Listed rainforest, there are plenty of adventures to be had in either the Daintree Rainforest or Cape Tribulation. Join a 4WD safari and journey along the Bloomfield track. Cruise along the winding waterways of the Daintree River and spot Saltwater crocodiles. Walk along the boardwalks and discover ancient ferns or zip-line through the lush rainforest canopy.

ISLANDS

For the ultimate island experience you can't go past the tropical islands of north Queensland. Treat yourself to an indulgent stay on Lizard Island, Australia's northernmost island resort right on the Great Barrier Reef. Snorkel the fringing reef surrounding Orpheus Island or laze on the iconic white sandy beaches of Fitzroy Island. For a true eco-experience look no further than Green Island.

There is no shortage of beaches on which to soak up the sunshine. Mission Beach has 14 kilometres of golden beach to explore while closer to Cairns, nestled between two headlands, you'll find picturesque Trinity Beach. Relax under a coconut palm on the long sandy beach at Palm Cove. Feel the sand between your toes and make a splash at Four Mile Beach.

ATHERTON TABLELANDS

Tucked away just west of Cairns is the lush highland plateau of the Atherton Tablelands. Here you will find stunning waterfalls and lakes that are perfect for a quick dip or a great photo opportunity. Visit the picturesque Josephine Falls with its natural rock slide and marvel at the 18 metre waterfall at Millaa Millaa Falls. HOW TO BOOK

Contact your ATAS travel agent and request a reservation. All verbal quotes provided are an estimate only and subject to change until confirmed in writing.

PRICES & CONDITIONS

This brochure was printed on 17 May 2021. The prices in this brochure are valid for travel from 1 April 2021 to 31 March 2022, unless otherwise stated, are in Australian dollars and include GST where applicable. All prices are subject to availability, subject to change and can be withdrawn or varied without notice. Price changes may occur by reason of matters outside our control which increase the cost of the Product or Service. Such factors include (without limitation) adverse currency fluctuations, fuel surcharges and taxes. Surcharges and minimum stays may apply due to demand, Christmas and New Year's Eve, school and public holidays, special events and other circumstances. All prices are the lowest available prices at the time of print and are a guide only. Please check all prices, availability, fees, conditions and information with your travel agent before booking.

If we must change any part of your booking for reasons beyond our control, for example, an Accommodation Supplier overbooks accommodation, or if there is an increase in taxes or Supplier charges, we will notify you. If any such changes result in your holiday costing more or otherwise being materially different from that originally booked, you may cancel the booking and we will refund any monies already paid less any charges levied by Suppliers.

PRICES DO NOT INCLUDE

Anything not specifically indicated as being an inclusion.

OMISSIONS & ERRORS

While every effort is made to ensure the accuracy and currency of the information in the brochures, errors or omissions may occur. All errors and omissions identified post the date of publication are notified to our retail partners to advise you. Please check with your agent for all up-to-date corrections, including prices and inclusions.

DEPOSITS & FINAL PAYMENTS

Deposit

A minimum non-refundable deposit of \$55 per person is payable within 7 days of confirmation of your booking. You will be notified of exact deposit and payment information at the time of booking.

Final Payment

Final payment of your holiday cost is required at least 30 days prior to departure or by sale end date or by the payment deadline specified in individual package conditions, whichever is earlier. Some services may require full payment at the time of booking. For bookings made less than 31 days prior to travel, full payment of holiday cost is required at the time your booking is confirmed.

Please ensure payments are made by the due dates. If this does not happen, our system will automatically cancel the booking without notice or liability to you.

Only upon payment of the full cost of your holiday do you have a final booking with the Supplier of the relevant good and/or service. In arranging your booking, Sunlover Holidays is acting as the agent of the Supplier of the relevant Product and at no time do you have a contract with Sunlover Holidays.

CREDIT & DEBIT CARD SURCHARGES

A fee will apply for payments made by debit and credit cards. Fees may vary depending on card type. Please check this fee with us or your travel agent when booking.

FEES

Amendment Fees

If you wish to change your booking prior to departure, an amendment fee of \$30 will be charged if the overall value of the booking remains the same or decreases, in addition to any fees imposed by the Supplier of each service booked.

Late Booking Fees

A fee of \$30 will be charged for all bookings made less than 7 days prior to travel.

All fees can be varied without notice.

CANCELLATIONS & REFUNDS

Prior to Final Payment

Your deposit is forfeited.

After Final Payment

There will be no refund of your deposit, in addition to any fees imposed by the Supplier, which may be up to 100% of monies paid.

After Travel

There will be no refund for cancellation once travel has commenced. There will be no refund for unused services, except for OPEN DATED services where the service was not booked with the Supplier. Requests for refunds received more than 6 months after departure date will not be accepted.
