TRAVEL TIPS

WHEN TO GO

Most of Western Australia offers a temperate climate of four noticeable seasons annually. The Broome and the Kimberley region has two distinct seasons. The dry season (April to September) brings bright sunny days and cool nights and the green season (October to March) is hot and humid with short downpours in the late afternoon and evening. During the green season, some attractions may not be accessible due to road closures and local flooding.

WATER SAFETY

Australia has some of the world's best beaches, however care and caution should be exercised at all times. Please remember to swim between the red and yellow flags and listen to instructions from lifesavers and lifeguards. Marine stingers are most prevalent along the Kimberley coastline from November to April. In remote parts of the Kimberley, Salt and Freshwater crocodiles are found in estuaries, rivers and billabongs, so always observe warning signs. If you are not sure, do not swim.

GETTING AROUND

BY RAIL

Experience the last remaining transcontinental train journey, the Indian Pacific. This amazing rail journey begins in Perth, traverses Australia from coast to coast before concluding in Sydney (also operates in reverse). See page 22 for Indian Pacific details.

BY CAR

Take the time to explore and discover as you make your way through Western Australia by road. We offer a selection of suggested driving itineraries, providing you with the freedom to see Western Australia at your own pace. See pages 16 and 17 for Self Drive Holidays and pages 18 and 19 for car hire options.

Speed limits apply in all urban areas and highways of Western Australia. Travellers should drive at a speed that suits the road, vehicle, weather conditions and their driving experience. Avoid driving after dark as cattle and wildlife often congregate alongside outback highways.

In remote parts of Western Australia driving slowly on gravel roads is recommended.

During the summer period (October to March) in the Kimberley, road closures due to flooding are common, particularly on unsealed roads. Road trains are a unique aspect of travelling in this region, they can be up to 50 metres in length. Extra care should be taken when overtaking them.

ABORIGINAL CULTURE & PERMITS

Transit Permits to visit Indigenous communities are granted through the Aboriginal Lands Trust and are designed to help preserve Aboriginal heritage and culture. It is best to choose a tour where operators already have permission to enter the land.

EXPERIENCES YOU'LL LOVE

The best part of any journey is the experiences you have along the way, leaving you with memories to relive long after the holiday is over.

Western Australia has countless amazing things to see and do. Here are 10 of our favourites to inspire your wanderlust.

Broome

STAIRCASE TO THE MOON

You literally have to see this event to believe it. This incredible natural phenomenon occurs when the full moon rises over the exposed tidal flats of Roebuck Bay, creating the illusion of an actual staircase leading up to the moon. Head to Broome between March and November and catch the Staircase to the Moon markets at Town Beach, where you can sample local produce, buy handmade products and enjoy the sounds of local entertainers.

Cable Beach, Broome

CABLE BEACH

Twenty-two kilometres of white pristine sand edged by the stunning water of the Indian Ocean makes Broome's Cable Beach one of Australia's most visited beaches. From finding a quiet stretch of sand to simply relax on, to swimming, kayaking or surfing, you can choose to be as active or inactive as you want. Cable Beach is famous all over the world for its iconic camel rides. Sit on top one of these amazing animals while it walks in time with the camel train – it's an experience you'll never forget.

Piccaninny Creek, Purnululu National Park

PURNULULU NATIONAL PARK

The majestic orange and black striped beehive domes – the Bungle Bungle Range – are one of Australia's most unusual and fascinating landforms. Due to the park's remoteness and huge scale, there are areas that have not been seen by the human eye for thousands of years. For the best views over the national park, opt for a plane or helicopter ride. If you are feeling adventurous, hike into the range and explore Echidna Chasm, Cathedral Gorge and Piccaninny Creek.

Cathedral Gorge, Purnululu National Park

Take a ride on the back of a camel and marvel at the pristine surrounds of Cable Beach

WHALE SHARKS

Western Australia is not short on incredible animal encounters. Swimming with the gentle Whale sharks as they play in the waters off the Coral Coast between March and August, is an experience not to be missed. Watch in awe as these magnificent ocean behemoths, reaching lengths of 12 metres or more, glide gracefully past your boat oblivious to life above the water. Marvel at the size of the biggest fish in the world as you swim alongside them in the pristine waters of the Ningaloo Marine Park. Fortunately for land-dwellers, their favourite meal is plankton.

ROTTNEST ISLAND

Blessed with picturesque scenery, dazzling marine life and some of the best beaches in the world, Rottnest Island is just a short ferry ride from Perth but a world away from city life. With 63 stunning beaches and 20 delightful bays to choose from, you're sure to find the perfect spot for a refreshing swim. Hire a bike and cycle around the island, join a guided walking tour or grab some snorkelling gear and discover the underwater snorkel trails. Whatever you do, join the likes of Roger Federer and Margot Robbie and get a selfie with the cutest inhabitant of Rottnest Island – the Quokka!

Parakeet Bay, Rottnest Island

● Lose yourself in a kaleidoscope of colours during the wildflower season in Coalseam Conservation Park

KIMBERLEY CRUISING

One of the best ways to discover the rugged, untouched beauty of the Kimberley coast is on an expedition cruise. Red ochre, sandstone cliffs carved by powerful forces of nature, cathedral-like gorges such as King George Falls, cascading waterfalls, tidal streams and pristine beaches are waiting to be explored. This precious wilderness area is also home to galleries of Aboriginal rock art thousands of years old and a variety of wildlife. Choose from a range of all-inclusive cruises departing from Broome, Wyndham and Darwin, between April and October. April and May are generally regarded as the best months to view the waterfalls in full force after the green season.

King George Falls, East Kimberley

VALLEY OF THE GIANTS

The Valley of the Giants Tree Top Walk is located in the south west of the state and will give you a bird's eye view of Western Australia's majestic tingle trees, some of the biggest trees on Earth. The walk is the first of its kind, climbing 40 metres into the forest canopy and meandering through the treetops for 600 metres. Take in the spectacular scenery of densely forested hills before descending to the boardwalks below to explore the Ancient Empire Walk, a grove of towering veteran tingle trees. A truly unique experience is walking through the hollows of these 400 year old trees.

Valley of the Giants Tree Top Walk, Denmark

WAVE ROCK

Over 2,700 million years old and a three and a half hour drive from the nearest beach, you will find Australia's largest wave. This curved cliff face, resembling a wave about to break, is 15 metres high and 110 metres long. It has been rounded by weathering and water erosion undercutting its base and leaving a rounded overhang. In the wetter months, water from springs run down the cliff face, dissolving and re-depositing chemicals in the granite, leaving red, brown, yellow and grey stains of carbonates and iron hydroxide. During early Spring, Wave Rock is surrounded by a sea of native wildflowers. Close by, you can visit a collection of ancient Aboriginal rock paintings.

Wave Rock, Hyden

WILDFLOWERS

The wildflower collection in Western Australia is one of the largest floral shows on Earth. With more than 12,000 species, over 60% of which are found nowhere else, they colour the landscape from the coast to the forest and from the city to the outback. In June and July, the north of the state is covered with vibrant blooms. By October and November, it has moved south through Perth and into the south west. You can take in the spectacle of each region and season on the many wildflower scenic drives and walking trails. Enjoy nature's spectacle in Kings Park and the Botanic Garden in Perth or head to Kensington Bushland to see over 150 species in bloom.

THE PINNACLES

Explore one of Australia's most intriguing landscapes in Nambung National Park, around 200 kilometres northwest of Perth. The Pinnacles Desert showcases a lunar-like landscape consisting of thousands of tall limestone spires, shaped over millions of years by the forces of water and wind, rising eerily out of the yellow desert sands. Walk across the moonscape-like surface and you'll feel like you've been transported to another world. For a bird's eye perspective, make your way to the Pinnacles Lookout, where you will be able to view the little Painted Desert and the unusual white dunes.

HOW TO BOOK

Contact your ATAS travel agent and request a reservation. All verbal quotes provided are an estimate only and subject to change until confirmed in writing.

PRICES & CONDITIONS

This brochure was printed on 22 April 2021. The prices in this brochure are valid for travel from 1 April 2021 to 31 March 2022, unless otherwise stated, are in Australian dollars and include GST where applicable. All prices are subject to availability, subject to change and can be withdrawn or varied without notice. Price changes may occur by reason of matters outside our control which increase the cost of the Product or Service. Such factors include (without limitation) adverse currency fluctuations, fuel surcharges and taxes. Surcharges and minimum stays may apply due to demand, Christmas and New Year's Eve, school and public holidays, special events and other circumstances. All prices are the lowest available prices at the time of print and are a guide only. Please check all prices, availability, fees, conditions and information with your travel agent before booking.

If we must change any part of your booking for reasons beyond our control, for example, an Accommodation Supplier overbooks accommodation, or if there is an increase in taxes or Supplier charges, we will notify you. If any such changes result in your holiday costing more or otherwise being materially different from that originally booked, you may cancel the booking and we will refund any monies already paid less any charges levied by Suppliers.

PRICES DO NOT INCLUDE

Anything not specifically indicated as being an inclusion.

OMISSIONS & ERRORS

While every effort is made to ensure the accuracy and currency of the information in the brochures, errors or omissions may occur. All errors and omissions identified post the date of publication are notified to our retail partners to advise you. Please check with your agent for all up-to-date corrections, including prices and inclusions.

DEPOSITS & FINAL PAYMENTS

Deposit

A minimum non-refundable deposit of \$55 per person is payable within 7 days of confirmation of your booking. You will be notified of exact deposit and payment information at the time of booking.

Final Payment

Final payment of your holiday cost is required at least 30 days (45 days for the Indian Pacific) prior to departure or by sale end date or by the payment deadline specified in individual package conditions, whichever is earlier. Some services may require full payment at the time of booking. For bookings made less than 31 days (45 days for the Indian Pacific) prior to travel, full payment of holiday cost is required at the time your booking is confirmed.

Please ensure payments are made by the due dates. If this does not happen, our system will automatically cancel the booking without notice or liability to you.

Only upon payment of the full cost of your holiday do you have a final booking with the Supplier of the relevant good and/or service. In arranging your booking, Sunlover Holidays is acting as the agent of the Supplier of the relevant Product and at no time do you have a contract with Sunlover Holidays.

CREDIT & DEBIT CARD SURCHARGES

A fee will apply for payments made by debit and credit cards. Fees may vary depending on card type. Please check this fee with us or your travel agent when booking.

FEES

Amendment Fees

If you wish to change your booking prior to departure, an amendment fee of \$30 will be charged if the overall value of the booking remains the same or decreases, in addition to any fees imposed by the Supplier of each service booked.

Late Booking Fees

A fee of \$30 will be charged for all bookings made less than 7 days prior to travel.

All fees can be varied without notice.

CANCELLATIONS & REFUNDS

Prior to Final Payment

Your deposit is forfeited.

After Final Payment

There will be no refund of your deposit, in addition to any fees imposed by the Supplier, which may be up to 100% of monies paid.

After Travel

There will be no refund for cancellation once travel has commenced. There will be no refund for unused services, except for OPEN DATED services where the service was not booked with the Supplier. Requests for refunds received more than 6 months after departure date will not be accepted.

Bonds or credit card imprints are required by most Suppliers at the time of check-in to cover incidentals and fees not included in your holiday cost.

TRANSFERS & TOURS

Some Accommodation Suppliers provide courtesy transfers to/from the airport. It is essential that these transfers are pre-booked.
